

AWEBB Indirect Framework

Business Finance

Imagine the benefits to your business if all your customers paid you within 24 hours. Now, imagine a dedicated, outsourced credit control function sending monthly statements to your customers and building up a relationship with the people that matter to facilitate faster payment.

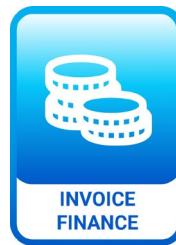

With an Invoice Finance solution from Skipton Business Finance, you get access to the working capital that you need to grow your business on the day you raise the invoice.

Skipton Business Finance offers a unique approach to financing your business. Your facility grows as your business grows, allowing you the time to focus on delivering a world-class product or service to your clients.

You will be supported by a dedicated Relationship Manager who truly understands your business and is empowered to make the decisions you need to make your business a success.

Benefits to AWEBB Members:

- Named Account Manager
- Immediate access to up to 90% of your invoices the day you complete the work
- As your business grows, so does your facility
- Professional Credit Control
- Dedicated Relationship Manager
- Overpayments available to help with the smooth running of your business
- Fast decision-making
- Free credit reports on your customers to help you make informed decisions
- Award-winning service levels
