

AWEBB Indirect Framework

Business Insurance

Established in 1914, Wilsons is a family-owned and run business with a strong commitment to their clients, their people, and the wider business community. They offer expert advice combined with exceptional customer service and a genuine understanding of their clients' needs. As an organisation regulated by the Financial Conduct Authority (FCA) they have a very strong emphasis on compliance and take their responsibilities very seriously. This includes treating customers fairly.

The Wilsons team provides a fully comprehensive insurance and risk management service with specialists in virtually all areas of insurance; they can provide a complete solution, including claims management. They will review and report on your insurances to ensure you have the appropriate programme for your business needs and the most comprehensive cover available from the marketplace
