

## AWEBB Indirect Framework

# Credit Rating Improvement

**Lightbulb are the UK's first business credit rating improvement service, helping companies understand their credit ratings and limits, improve their scores and proactively monitor their credit profile on an ongoing basis.**

They have agreements with the four main credit rating agencies in the UK that allows them access to their data, enabling them to provide businesses with a whole market view of their credit profile.

Using this insight Lightbulb can quickly spot potential issues, identify solutions, and take swift action to improve the ratings. Their team of experts all have years of industry experience and in-depth knowledge of the business credit rating system.

### Benefits to AWEBB Members:
