

## AWEBB Indirect Framework

# Foreign Exchange

Through our partnership with exchange experts Moneycorp, we're looking to help promote transparency in the FX market and decrease the cost of foreign exchange for business.

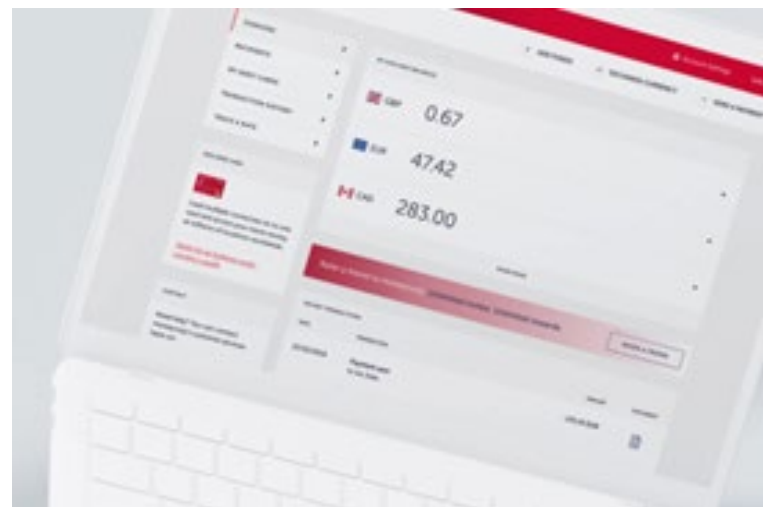

If your business has any international payment requirements, we can carry out a free foreign exchange audit which will provide you with an in-depth report and suggestions around where your business can save money.

They have the ability to reach out to 18 providers to acquire the best rates for their clients. They also have an 'easy to use' Online platform available 24/7.

On top of that, they also provide a dedicated account manager who is available over the phone to execute your payments.

### Benefits to AWEBB Members:

- Competitive exchange rates sourced through our panel of 18 liquidity providers
- Global presence with the ability to trade in 120+ currencies
- Dedicated Account Managers for on-going FX support
- Segregated and Safeguarded Client Accounts
- Free transaction analysis/ FX health check
- We can mitigate risk through proactive currency solutions, leading to money being saved on your international payments

### Next Step

If you would be interested in seeing if we could make similar savings such as these for your company, please feel free to get in touch with Patrick Solley at moneycorp direct on:
