# Franking Machines

Francotyp Postalia, simply known in the UK as FP Mailing was founded in 1923. A global Franking Machine Manufacturer that's main focus is very simple, the duty of care and support to it's clients, around the World.

As a German manufacturer, FP are at the very forefront of technology and innovation, designing and revolutionising products to ensure a sustainable future in physical post, for years to come.

FP understands what is required to ensure a healthy business relationship. We offer a complete understanding of the industry, access to Government Pricing and a wealth of knowledge from our personalised account management team, which are solely in place to put your mind at ease when choosing your new mailroom supplier.

Whether you send five or a thousand items per day, there is a cost effective solution for you here at FP Mailing and we cannot wait to help you save money and improve the technology you have.

### Benefits to AWEBB Members:

- Access to "MailMark Extra" postage rates. (This is someone ONLY FP Mailing clients can access. This offer ensures you receive a further 1p discount, per letter, over and above EVERY other supplier in the UK)
- Access to the newest machinery/technology within the marketplace
- Access to the very best machine pricing within the industry
- No additional charges or set up fees of any kind
- Personalised Account managers for ALL clients

FP Mailing Solutions

In July 2015 FP launched a new initiative call Mailmark Extra, this means that FP customers can benefit from an extra 1p off of every Mailmark first and second class standard letter they send, this sets us apart from other franking machine manufacturers.

If you are not already benefitting from Royal Mail Mailmark then contact us to find out how your business can save even more with Mailmark Extra, you could be reimbursed up to £960 of postage credit in your first year with FP!
