

AWEBB Indirect Framework

Safety Management

UK Safety Management LTD has established itself over the last 10 years within the electrical and fire safety sector.

They serve a large and varied client base looking after over 65,000 sites. Their head office in Leeds employs over 150 people with around a further 100 fully qualified engineers employed across the UK.

Benefits to AWEBB Members:

- Aftersales Service
- Quality control
- Latest Testing Equipment
- Fully Accredited/Approved Contractors
- Time and Resource Savings

Services they can provide include:

- Fixed Wire Testing (EICR)
- Emergency Light Testing
- Fire Alarm Servicing
- Fire Risk Assessment
- Fire Extinguisher Servicing
- PAT Testing
- Asbestos Surveys
- Energy Performance Certificates (EPC's)
- Online Training Courses

Next Step
