

## AWEBB Indirect Framework

# Workplace Solutions

The OT Group is a leading provider of business services and workplace solutions – direct to end users and via the wholesale channel.

Their brands have been trusted supply chain partners for businesses across the UK & Ireland, large and small, for over 130 years.

Through a consolidated range of business solutions, they help companies control costs, drive efficiency, and improve productivity. With over 100,000 products, they provide one of the UK's most extensive portfolio of products.

The OT Group is part of the Paragon Group of companies – a leading provider of Customer Communications, Identification, Graphics and Workplace Services.

The Paragon Group combine generations of experience with the latest innovations in technology and smart data to enable responsive and meaningful interactions between organisations and their customers.
